Change of Major Requirements and Policies

For Students in a Degree-Granting Engineering Major

Degree-granting engineering majors accept applicants on a space-available basis.

- Applicants must have a minimum 2.0 overall Virginia Tech GPA at the time of application.
- Applicants with a minimum 3.0 overall Virginia Tech GPA at the time of application are guaranteed their first choice major.
- Applicants below a 3.0 overall Virginia Tech GPA at the time of application will be rank ordered according to overall GPA and placed in their first, second, or third choice based on space availability.
