

Course Registration Instructions

Class registration is accomplished in two phases:

Phase 1: Course Request

- March 20 – 27, 2018
- Course Request is your opportunity to inform the university of the specific courses you would like to take Fall 2018.
- **Courses are not automatically awarded during this phase and you are not guaranteed to get all of the courses or the specific times requested.**
- This phase is designed to ensure the departments are planning to offer enough seats in courses to accommodate the demand.

Phase 2: Drop/Add

- April 14, 2018 – May 25, 2018
- Drop/Add is your opportunity to finalize your class schedule.
- You will build on the courses you received by completing Course Request and ultimately finalize your spring schedule in this live system.
