

Hokie SPA GPA Calculator Directions

Use the following directions to determine the term GPA you need to earn in the summer or fall to achieve a certain overall GPA.

1. Log into *Hokie Spa*
2. Click *Grades Menu*
3. Click *Overall Grade Point Average (GPA) Calculator*
4. Make adjustments to the following to determine the term GPA you need to earn to achieve a certain overall GPA:
 - a. Adjust *Hours planned for this semester* to reflect how many hours you plan to take during the next term at Virginia Tech
 - b. Adjust the *Overall GPA* (i.e. a 3.0)
 - c. Change the hours until the *Calculated GPA* (in the yellow box) is possible and realistic for you
 - d. Make sure to click the "equals" button every time you change an input value
 - e. Click the "Calculate" button once you have changed all the necessary input values
