ENGE 1215 and 1216 Two Attempt Policy

- ENGE 1215 can only be attempted at Virginia Tech twice.
- ENGE 1216 can only be attempted at Virginia Tech twice.
- Dropping the course DOES NOT count as an attempt.
- Withdrawing ("W") from the course DOES count as an attempt.
- After two attempts are exhausted, students must transfer the course if they wish to continue in engineering.
